

## IMPORTANT ANNOUNCEMENT

### Notice of Termination of Lofelt Studio

Posted on Friday, 10 June 2022 (CEST)

We hope that you enjoyed using Lofelt Studio!

#### *1. Termination Schedule*

We regret to inform you that Lofelt Studio will be retired effective on July 7, 2022 (“**Termination Date**”). You will still be able to enjoy Lofelt Studio until the Termination Date, but your Subscription Plan and rights to access or use any components of or support or updates for Lofelt Studio will end on the Termination Date; provided, however, you may continue to use the Lofelt SDK after the Termination Date. Notwithstanding anything to the contrary, the Lofelt Terms of Service, Lofelt End User License Agreement, Lofelt Privacy Policy, Lofelt Data Processing Addendum and, in each case, all rights and obligations set forth therein will terminate on the Termination Date, except those provisions relating to limitation of liability, indemnification, payment, and intellectual property rights.

#### *2. Refunds*

We will refund you prior to the Termination Date. Please contact us at [help@lofelt.com](mailto:help@lofelt.com) for more information.

#### *3. Data Retention*

For the avoidance of doubt, any information, text, message, software, picture, sound, video, haptic effect, music and any library, data, content or material transmitted or conveyed through Lofelt Studio (collectively, “**Data**”) will be deleted as of the Termination Date, except where otherwise required under applicable law or in relation to your personal data as set forth herein. Please retrieve your Data or projects before the Termination Date.

Best regards,

The Lofelt Team
